<sup>1/</sup> All cost share rates are at 75% except the incentive practices, which are at 100%.

Exception: Limited Resource Producers and Beginning Farmers and Ranchers are eligible for 90% cost share.

<sup>2/</sup> This practice does not contain cost-shared components on the EQIP cost list. Use the appropriate support practice(s) to provide cost share for implementation of this practice. The applicable cost share rates and hold-downs of the appropriate support practices will be used on an EQIP contract.

Note: Practice costs will be determined by using the approved cost list for the county in which the applicant's land is located.
